*Type of Service: Slope stabilization, installation of barriers, asphalt work, bridge work, concrete work, cleaning culvert pipes, debris removal, tree removal, disposal, snow removal, traffic control, etc.*

**FAQ:****Q: I am registered in ePro, does that mean I am pre-qualified?**

A: No, registering in ePro only gives vendors access to the Request for Qualifications (RFQ) document. In addition to registering in ePro, vendors must complete the RFQ process to become pre-qualified. Once a vendor is pre-qualified there is no need to resubmit a proposal until contract expires. Please refer to the schedule above for RFQ release dates.

**Q: Do I have to provide pricing when I submit a proposal?**

A: No, pricing is not required to pre-qualify as a pre-approved vendor. Pricing will be requested at the time a Request for Bid is released.

**Q: How do I receive a Request for Bid?**

A: Complete the RFQ process, if vendors meet the minimum qualifications a contract will be awarded and vendors will be added to a short list of pre-approved material/service providers. As projects are identified, pre-approved vendors will be sent a request for bid via email detailing the job date, location, quantity, and any other special requirements.
