PUBLIC NOTICE – PROJECT FACT SHEET

DATE: July 13, 2022

PROJECT LOCATION: Various streets surrounding Muscoy Elementary School and Vermont Elementary School in the Muscoy area

PROJECT DESCRIPTION: The project consists of constructing sidewalk, curb and gutter; upgrading existing ADA ramps and constructing new ADA ramps and pedestrian refuge pads; installing flashing beacons, street lights, pedestrian warning signs, and speed feedback signs and painting ladder-style crosswalks and traffic striping at various locations. Project improvements will be located on Duffy Street, Darby Street, Macy Street, Blake Street, Vermont Street, 1st Avenue, June Street, 2nd Avenue and other surrounding streets.

LANE CLOSURE INFORMATION: Lane closures may be required during construction which may cause delays; however, traffic control will be established on each road to direct motorists along one 11-foot lane in both directions.

We encourage you to allow additional time in your commute schedule for possible delays and to please drive with caution and reduce speeds through work zones. We regret any inconvenience this work may cause you, and we look forward to the timely completion of this project that will enhance the quality of life in our local communities. Thank you for your patience and cooperation in assisting us in constructing this project.

ESTIMATED CONSTRUCTION DATE: Summer 2024

COUNTYWIDE VISION: This project was approved by our Board of Supervisors upon the passing of the County's 2022-2023 budget. This project is in line with the Countywide Vision of a sustainable system of public safety. In its dedication to the Vision, the Department is continuing its ongoing efforts of constructing improvements on County maintained roads.

PUBLIC WORKSHOP: The County will hold a public workshop with County design engineers to provide additional information to local residents about the project and to answer questions.

The Public Workshop will be held on:
