

COUNTY OF SAN BERNARDINO
NOTICE OF AVAILABILITY (NOA) / NOTICE OF INTENT (NOI) TO ADOPT
AN INITIAL STUDY / MITIGATED NEGATIVE DECLARATION
CAMP SWITZERLAND LIFT STATION PROJECT

In accordance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines, County Staff prepared a Draft Initial Study / Mitigated Negative Declaration (IS/MND) that identifies and evaluates the environmental impacts of the Camp Switzerland Lift Station Project.

Project Title: Camp Switzerland Lift Station Project

Project Location: The Project is located in the unincorporated community of Crestline in the southwest portion of the County of San Bernardino. The Project is located approximately 1.39 miles northeast of State Route 18 (SR 18), 1.43 miles east of State Route 138 (SR 138), immediately north of Lake Drive, immediately east of Houston Drive, and immediately west of Edelweiss Drive.

Project Description: The Project proposes the construction and operation of a sewer lift station to collect and discharge wastewater from the surrounding area to the near-by sewer system that is owned and operated by the Crestline Sanitation District (CSD). Construction would involve the installation of a 566.56-foot-long sewer station and pipeline that would be located underground and run from the southwest to the northeast of the Project site. The Project would connect the valve vault to the discharge manhole CSD. The Project would also require an electrical conduit to be built underground along with the pipeline. The electrical conduit would extend from Houston Drive to the end of a dirt road approximately 500 feet northwest from Edelweiss Drive. The Project pipeline and connecting structures, along with the electrical conduit, are owned and operated by the Project applicant.

Environmental Review and Public Comment: The circulation of the Draft IS/MND is to encourage written public comments. Interested persons can review the Draft IS/MND at the following physical location:

Department of Public Works – Special Districts
222 W. Hospitality Lane, 2nd Floor San
Bernardino, CA 92415-0187

You may also obtain the document in electronic format at <http://dpw.sbcounty.gov/#notices> or by emailing the Project Manager at Deanna.Lestina@dpw.sbcounty.gov. To request a PDF version of the document from the Department of Public Works – Special Districts database, please reference the project name.

The comment period for the IS/MND begins **Wednesday May 22, 2024**, through **Monday June 24, 2024**. Please submit comments to the e-mail above or to:
