

MOVING PERMIT APPLICATION

INDEMNIFICATION FORM

This is an official part of the permit application.

By signing and uploading this document to the permit application online you are hereby agreeing to the permit conditions.

This document is valid concurrent with the term of the permit. In accepting the permit, the permittee agrees to fully compensate the County of San Bernardino for any damage to public property under the County's jurisdiction resulting from operations under the permit.

In accepting the permit, the permittee agrees to comply with the possible conditions on the second page of this document. The permittee is responsible for all liability for injury to, or death of, a person, or damage to property which may occur through any act or omission of either the permittee or the County arising from the issuance of the permit.

The permittee hereby agrees, as a condition of the granting of this permit to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of the granting of this permit from any cause whatsoever, including the acts, errors or omissions of any person and for any cost or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Permittee's indemnification obligation applies to the indemnitees' "active" as well as "passive" negligence but does not apply to the indemnitee's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.
